

White Gold Corp. Announces \$4.5 Million Private Placement

TORONTO, December 5, 2024 -- **White Gold Corp. (TSX.V: WGO, OTCQX: WHGOF, FRA: 29W)** (the "**Company**") is pleased to announce a non-brokered private placement for gross proceeds of \$4,500,000 consisting of the sale of a combination of : (i) common shares in the capital of the Company ("**Common Shares**") that qualify as "flow-through shares" within the meaning of the *Income Tax Act* (Canada) (the "**Tax Act**") at a price of C\$0.26 per share (each an "**FT Share**"); (ii) FT Shares that will also qualify for the federal 30% Critical Mineral Exploration Tax Credit at a price of \$0.27 per share (each a "**CFT Share**"); and (iii) Common Shares a price of C\$0.22 per share (each an "**HD Share**") (the "**Offering**").

"We are very appreciative for the continued support for our exciting and impactful exploration activities to advance our significant gold deposit which is now one of the highest-grade open pit gold resources in Canada of such significant size owned by an exploration company, and other recent high-grade gold discoveries and additional prospective critical mineral projects on our district scale land package in the prolific and under explored White Gold District." stated David D'Onofrio, Chief Executive Officer.

The gross proceeds received from the sale of the FT Shares will be used to incur (or deemed to incur) "Canadian exploration expenses" as defined in subsection 66.1(6) of the Tax Act, and the gross proceeds from the sale of the CFT Shares will be used to incur (or deemed to incur) eligible "Canadian exploration expenses" that qualify as "flow-through critical mineral mining expenditures" (as both terms are defined in the Tax Act) (collectively, the "**Qualifying Expenditures**"), related to the Company's properties in the White Gold District of the Yukon Territory, on or before December 31, 2025, and to renounce all the Qualifying Expenditures in favour of the subscribers of the FT Shares, and CFT Shares effective December 31, 2024. If the Qualifying Expenditures are reduced by the Canada Revenue Agency, the Company will indemnify each subscriber of an FT Share, and CFT Share for any additional taxes payable by such subscriber as a result of the Company's failure to renounce the Qualifying Expenditures as agreed. The net proceeds from the sale of the Common Shares will be used for working capital and other general corporate purposes.

Closing of the Offering is expected to occur on or about December 20, 2024 and is subject to the satisfaction of certain conditions, including receipt of all applicable regulatory approvals including the approval of the TSX Venture Exchange (the "**TSXV**"). The securities issued pursuant to the Offering will be subject to a statutory hold period of four months plus one day from the closing date of the Offering in accordance with applicable securities legislation.

Cautionary Note Regarding Forward Looking Information

This news release contains "forward-looking information" and "forward-looking statements" (collectively, "forward-looking statements") within the meaning of the applicable Canadian securities legislation. All statements, other than statements of historical fact, are forward-looking statements and are based on expectations, estimates and projections as at the date of this news release. Any statement that involves discussions with respect to predictions, expectations, beliefs, plans, projections, objectives, assumptions, future events or performance (often but not always using phrases such as "expects", or "does not expect", "is expected", "anticipates" or "does not anticipate", "plans", "proposed", "budget", "scheduled", "forecasts", "estimates", "believes" or "intends" or variations of such words and phrases or stating that certain actions, events or results "may" or "could", "would", "might" or "will" be taken to occur or be achieved) are not statements of historical fact and may be forward-looking statements. In this news release, forward-looking statements relate, among other things, the Offering, including all regulatory approvals; the use of proceeds from the Offering; the Company's objectives, goals and exploration activities conducted and proposed to be conducted at the Company's properties; future growth potential of the Company, including whether any proposed exploration programs at any of the Company's properties will be successful; exploration results; and future exploration plans and costs and financing availability.

These forward-looking statements are based on reasonable assumptions and estimates of management of the Company at the time such statements were made. Actual future results may differ materially as forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to materially differ from any future results, performance or achievements expressed or implied by such forward-looking statements. Such factors, among other things, include: the expected benefits to the Company relating to the exploration conducted and proposed to be conducted at the White Gold properties; the receipt of all applicable regulatory approvals for the Offering; the completion of the Offering on the terms described herein, or at all; failure to identify any additional mineral resources or significant mineralization; the preliminary nature of metallurgical test results; uncertainties relating to the availability and costs of financing needed in the future, including to fund any exploration programs on the Company's properties; business integration risks; fluctuations in general macroeconomic conditions; fluctuations in securities markets; fluctuations in spot and forward prices of gold, silver, base metals or certain other commodities; fluctuations in currency markets (such as the Canadian dollar to United States dollar exchange rate); change in national and local government, legislation, taxation, controls, regulations and political or economic developments; risks and hazards associated with the business of mineral exploration, development and mining (including environmental hazards, industrial accidents, unusual or unexpected formations pressures, cave-ins and flooding); inability to obtain adequate insurance to cover risks and hazards; the presence of laws and regulations that may impose restrictions on mining and mineral exploration; employee relations; relationships with and claims by local communities and indigenous populations; availability of increasing costs associated with mining inputs and labour; the speculative nature of mineral exploration and development (including the risks of obtaining necessary licenses, permits and

approvals from government authorities); the unlikelihood that properties that are explored are ultimately developed into producing mines; geological factors; actual results of current and future exploration; changes in project parameters as plans continue to be evaluated; soil sampling results being preliminary in nature and are not conclusive evidence of the likelihood of a mineral deposit; title to properties; and those factors described in the most recently filed management's discussion and analysis of the Company. Although the forward-looking statements contained in this news release are based upon what management of the Company believes, or believed at the time, to be reasonable assumptions, the Company cannot assure shareholders that actual results will be consistent with such forward-looking statements, as there may be other factors that cause results not to be as anticipated, estimated or intended. Accordingly, readers should not place undue reliance on forward-looking statements and information. There can be no assurance that forward-looking information, or the material factors or assumptions used to develop such forward-looking information, will prove to be accurate. The Company does not undertake to release publicly any revisions for updating any voluntary forward-looking statements, except as required by applicable securities law.

Neither the TSXV nor its Regulation Services Provider (as that term is defined in the policies of the TSXV) accepts responsibility for the adequacy or accuracy of this news release.
